

## Daycare Checklist

Use this template to help when choosing daycare or in-home child care. This is only a guideline and is to be used at your own risk.

- Daycare certified?
- Caregivers background checked?
- What is the child to caregiver ratio?
- Are snacks provided? What are they?
- Is there an age limit or any age restrictions?
- Are activities age appropriate?
- Is facility or home set up safely? Outlets covered? Doors with child-proof locks? Sharp edges covered? Water heater set to appropriate temperature? CO2 detector?
- If the daycare center has drivers have they been checked and are vehicles safe with proper child seats?
